These instructions contain general guidelines and instructions on the preparation, clarification, and submission of Proposals.

A. INTRODUCTION

1. General

The purpose of this Request for Proposal (RFP) is to invite Sealed Proposals for professional services to be provided to the United Nations Educational, Scientific and Cultural Organization - UNESCO.

2. Eligible bidders

Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by UNESCO to provide consulting services for the preparation of the Terms of Reference, and other documents to be used for the procurement of services to be purchased under this Request for Proposal.

This bid is open to all national and international suppliers who are legally constituted, can provide the requested services.

Bidders are ineligible if at the time of submission of the offer:

- (a) The bidder is on the exclusion list published on the global portal for suppliers of the United Nations Organization, (<http://www.ungm.org>) due to fraudulent activities.
- (b) The name of the bidder appears on Consolidated United Nations Security Council Sanctions List which includes all individuals and entities subject to sanctions measures imposed by the Security Council.
- (c) The bidder is excluded by the World Bank Group.

3. Fraud and corruption

UNESCO requires that bidders, contractors and their subcontractors adhere to the highest standard of moral and ethical conduct during the procurement and execution of UNESCO contracts and do not engage in corrupt, fraudulent, collusive, coercive or obstructive practices.

For the purpose of this provision such practices are collectively referred to as “fraud and corruption”:

- “Corrupt practice” **“Corrupt practice” is the offering, giving, receiving or soliciting, directly or indirectly, an undue advantage, in order that the person receiving the advantage, or a third person, act or refrain from acting in the exercise of their official duties, or abuse their real or supposed influence;**
- “Fraudulent practice” **is a knowing misrepresentation of the truth or concealment of a material fact aiming at misleading another party in view of obtaining a financial or other benefit or avoiding an obligation, or in view of having another party act to their detriment ;**
- “Collusive practice” means an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party;
- “Coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party.
- “Obstructive practice” means acts intended to materially impede the exercise of UNESCO’s contractual rights of audit, investigation and access to information, including destruction,

falsification, alteration or concealment of evidence material to a UNESCO investigation into allegations of fraud and corruption.

- “Unethical practice” means conduct or behaviour that is contrary to Staff or Supplier codes of conduct, such as those relating to conflict of interest, gifts, hospitality, postemployment provisions, abuse of authority and harassment.

UNESCO expects that all suppliers who wish to do business with UNESCO will embrace the [United Nations Supplier Code of Conduct](#)

UN Agencies have adopted a zero tolerance policy on gifts and therefore, it is of overriding importance that UNESCO staff should not be placed in a position where their actions may constitute or could be reasonably perceived as reflecting favourable treatment of an individual or entity by accepting offers of gifts, hospitality or other similar favours. Vendors are therefore requested not to send or offer gifts or hospitality to UNESCO personnel.

UNESCO will:

- Reject a proposal to award a contract if it determines that a vendor recommended for award has engaged in fraud and corruption in competing for the contract in question.
- Cancel or terminate a contract if it determines that a vendor has engaged in fraud and corruption in competing for or in executing a UNESCO contract.
- Declare a vendor ineligible, either indefinitely or for a stated period of time, to become a UN registered vendor if it at any time determines that the vendor has engaged in fraud and corruption in competing for or in executing a UNESCO contract.

Any concern or evidence that corruption or fraud may have occurred or is occurring related to a UNESCO contract shall be forwarded directly to the Office of Internal Oversight. Please refer to [how-to-report-fraud-corruption-or-abuse](#).

HIGHEST TOTAL SCORE OF WEIGHTED TECHNICAL AND FINANCIAL CRITERIA

The price proposal of all offerors, who have attained minimum 70 % score in the technical evaluation, will be compared. **The contract will be awarded to the offeror that receives the highest score out of a pre-determined set of weighted technical and financial criteria as specified below.**

Technical Proposal Evaluation Form

Sample: Summary of Technical Proposal Evaluation Forms		Points Obtainable	Name of Firm / Institution		
			A	B	C
1.	Expertise of Firm / Institution submitting Proposal	200			
2.	Proposed Work Plan and Timeframe	300			
3.	Personnel	100			
Sub-total for Technical Evaluation		600			

Financial Proposal Evaluation Form

Sample: Summary of Financial Proposal		Points Obtainable	Name of Firm / Institution		
			A	B	C
	Financial Proposal	400			
Sub-total for Financial Evaluation		400			

Evaluation of the price proposals (of all Offerors who have attained minimum 70 % score in the technical evaluation) will be based on the weight scoring method as follows:

- Financial proposals are opened and list of prices is prepared, where the lowest price is ranked as the first one (receiving highest amount of points) and the most expensive as the last one (receiving the least amount of points).
- Lowest price is given maximum points (e.g. 300), for other prices the points are assigned based on the following formula: [Amount of points = $\frac{\text{lowest price}}{\text{other price}} \times \text{total points obtainable for financial proposal}$]

An example:

- Offeror A – lowest price ranked as 1st in the amount of USD 10,000 = a
 - Offeror B – second lowest price ranked as 2nd in the amount of USD 15,000 = b
- Points assigned to A = 300 & Points assigned to B = 200 (following formula: $a/b \times 300$ i.e. $10,000/15,000 \times 300 = 200$ points)

Option 2: Combined Technical and Financial Evaluation Form

Sample: Summary of Financial Proposal Evaluation Forms		Points Obtainable	Name of Firm / Institution			
			A	B	C	D
	Sub-total Technical Proposal	700				
	Sub-total Financial Proposal	300				
Total 1000
